

# Grafton Recreation is pleased to announce:

## BEST English

## Soccer Training

Each weekly session includes foot skills, drills, tactical and technical practices, and small-sided games. Skills are learned through passive then active pressure and then perfected with a game-related activity. Players are challenged each and every session. All this is accomplished while still promoting sportsmanship and fun!

Please bring a water bottle, shin guards, and cleats for outdoor play.

Max of 20 students per session.
